Municipal Council ... D.P.I. also recommends it, as being economical as compared with the expense that would have to be incurred in case a separate teacher for teaching Sanskrit is employed in the Anglo vernacular school. It may be approved with the concurrence of the Education Secy.

SIR

SUBJECT - Sanction to the payment of enhanced rate of allowance to the Kannada Pandit for doing Sanskrit work in the Municipal High School, Bowringpet

With reference to Government Order No L 1309-11/M1 96-43-40 dated 8th August 1944 sanctioning the proposal for the payment of an allowance of Rs 10/- per mensem to the Kannada Pandit for doing Sanskrit work in the above school, I have the honour to submit herewith copies of the resolutions of the Managing Committee of the said school and of the local Municipal Council proposing to continue the allowance at an enhanced rate of Rs 15/- per mensem with effect from 1-7-1944 and to state as follows

While communicating the Government Order referred to above the Deputy Director of Public Instruction, Bangalore was requested to examine the need for a separate Sanskrit Pandit for the School and to request the Management to take needful action It is now reported that the number of pupils who have taken up Sanskrit is small, there being only 10 in the I year, 8 in the II year and 7 in the III year classes, that the Kannada Pandit has 12 periods of Sanskrit work in addition to his normal work of 20 periods in Kannada and that the Sanskrit work is arranged to be done outside class hours without detriment to the Pandit's own work in Kannada It is also reported that since the expenditure on account of the

the employment of a separate Sanskrit Pandit will be greater than paying the allowance of Rs 15/- per mensem for nine months in the year to the present incumbent, the existing arrangement is proposed to be continued but with an enhanced allowance as agreed to by the Managing Committee of the school and the local Municipal Council

As an allowance of Rs 15/- per month for 12 periods of sanskrit work per week is quite reasonable, I recommend that sanction may be kindly accorded to the payment of the allowance at the enhanced rate of Rs 15/- per mensem tenable for 9 months in the year, to the Kannada Pandit of the Municipal High School, Bowringpet for his additional work in Samskrit with effect from 1-7-1944, the extra cost being met from the funds of the school

I have the honour to be,

Sir,

Your most obedient servant,

DIRECTOR.
